STRESS MR III IN DC: A HANDS-ON WORKSHOP

Course 10 & 11 October 2025

*Society for Cardiovascular
Magnetic Resonance*

ACC HEART HOUSE • WASHINGTON DC

OPPORTUNITIES

Friday, 10 October & Saturday, 11 October 2025

This two-day scientific meeting will include a mix of state-of-the art and pragmatic presentations on stress cardiovascular magnetic resonance, including extensive case presentations, quantitative myocardial blood flow analysis, and hands-on use of perfusion image analysis software. We anticipate 125 attendees for this program, targeted at cardiologists, radiologists, pediatricians, and technologists. Stress CMR is growing rapidly and has been included in both American and European guidelines as an appropriate test for the evaluation of known or suspected coronary artery disease. This program is focused on helping practitioners of CMR to implement and/or improve their stress CMR program. This is a one-of-a-kind educational and networking event.

Bronze	/ \$3,000	6-ft tabletop only display, 1 exhibitor badge
Silver	/ \$6,000	10-ft exhibit space with allowable backwalls or standing equipment, 2 exhibitor badges
Gold	/ \$9,000	10-ft exhibit space, 3 exhibitor badges and recognition as a coffee break sponsor (3 available)
Platinum	/ \$12,000	10-ft exhibit space, 4 exhibitor badges and recognition as sponsor of the Welcome and Networking Reception or Industry sponsored 45-minute Lunch Symposium (refreshments and standard audio visual included)

Friday, 10 October & Saturday, 11 October 2025 (separate sponsorship required)

ADDITIONAL OPPORTUNITY

Hands-On Sponsors / \$5,000

The Hands-On sessions for this course include three 90-minute Hands-On sessions two on Friday, October 10 and one on Saturday, October 11. These sessions are designed to provide unparalleled participant-to-faculty ratio and learner experience. The cases analyzed in this session must include quantitative perfusion and qualitative perfusion assessment, and the sponsor's software will need to address these case types.

Sponsors are asked to provide in-kind support of 15 laptop-based workstations and a technology specialist to assist our faculty with workstation troubleshooting specific to your course.

Two exhibitor badges included in sponsorship.
