OPPORTUNITIES

Thursday 11th September 2025 to Friday 12th September 2025:

The SCMR Level 1 Cardiovascular Magnetic Resonance (CMR) Course is an exceptional educational and networking event designed to provide foundational competence in CMR. This 2-day course will feature a blend of state-of-the-art presentations, hands-on learning, and engaging case-based discussions on key topics, including ischemic heart disease, cardiomyopathies, valvular heart disease, and vascular and congenital conditions. International and local faculty comprising leading cardiologists and radiologists will deliver in-depth, practical overviews on patient preparation, scanning techniques, post-processing, and contemporary imaging techniques. This event is specifically designed for cardiologists, radiologists, and CMR technicians looking to build or enhance their CMR expertise in alignment with SCMR Level 1 guidelines. Hosted in the vibrant city of Kaunas, Lithuania, and catering to participants from Northern Europe, the course anticipates 40 attendees seeking high-value learning in a collaborative environment. Ample opportunities for our industry partners will be provided to engage with participants, including exhibition spaces located near the main auditorium and refreshment areas, along with additional incentives to encourage visits to sponsor tables and booths.

ADDITIONAL OPPORTUNITIES

Post-Processing Sponsorship - USD 8,000 (EUR 7 750) - (limited to 2 companies)

Sponsors are responsible for providing in-kind support, including 15 laptop-based workstations, 15 temporary software licenses, extension cords, and a technology specialist to assist the faculty with workstation troubleshooting and attendee support. The sponsors' software will be used for all hands-on sessions throughout the course.

Morning coffee with the Sponsor - USD 5,000 (EUR 4 900) - (limited to 2 companies)

Two sponsors can each take advantage of 20 minutes of exclusive, dedicated time with participants during the morning session on September 12th. This opportunity allows you to showcase your products, services, or innovations directly to a focused audience of cardiologists, radiologists, and CMR technicians. Engage with attendees in a dynamic and interactive format, fostering meaningful discussions and connections.
