SCMR Educational Events

2026

Who We Are

The Society for Cardiovascular Magnetic Resonance (SCMR) is a not for profit association and a worldwide recognized representative and advocate for physicians, scientists, and technologists who work in the field of cardiovascular magnetic resonance (CMR). SCMR is the principal international, independent organization committed to the further development of CMR through education, quality control, research, and training. Membership has grown to over 3,500 – which includes cardiologists, radiologists, technologists, scientists, engineers, and administrators from around the world.

Why Sponsor SCMR?

Sponsoring SCMR provides unparalleled access to a highly specialized and influential audience in cardiovascular imaging. Your support helps drive cutting-edge research, foster global collaboration, and deliver high-impact educational programs that shape the future of heart health. As a sponsor, you position your brand at the forefront of CMR advancements, gain visibility among decision-makers, and demonstrate your commitment to improving patient care through imaging excellence.

Events You Can Sponsor in 2026

SCMR 29TH ANNUAL SCIENTIFIC SESSIONS

4-7 February 2026 - Rio de Janeiro, Brazil

► [Discover sponsorship opportunities for SCMR 2026](#)

SCMR-ASCI Joint Level 1 Course

(Pre-conference ASCI Annual Congress)

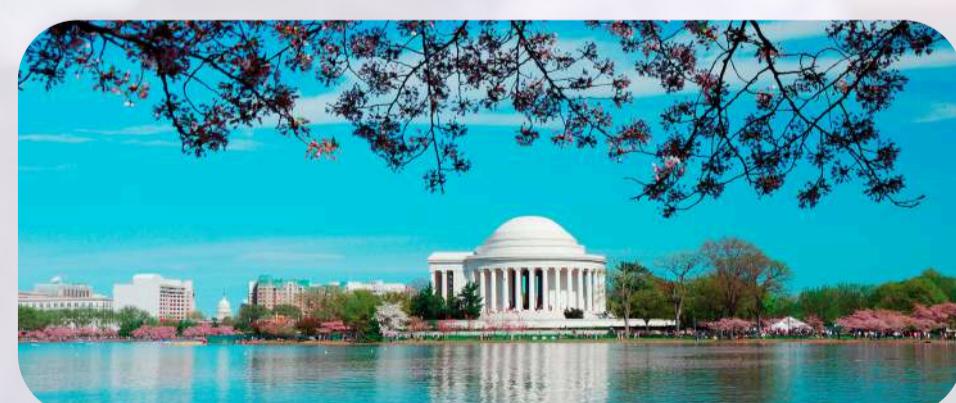

20-21 May 2026 - Singapore

Sponsorship opportunities available
through ASCI directly

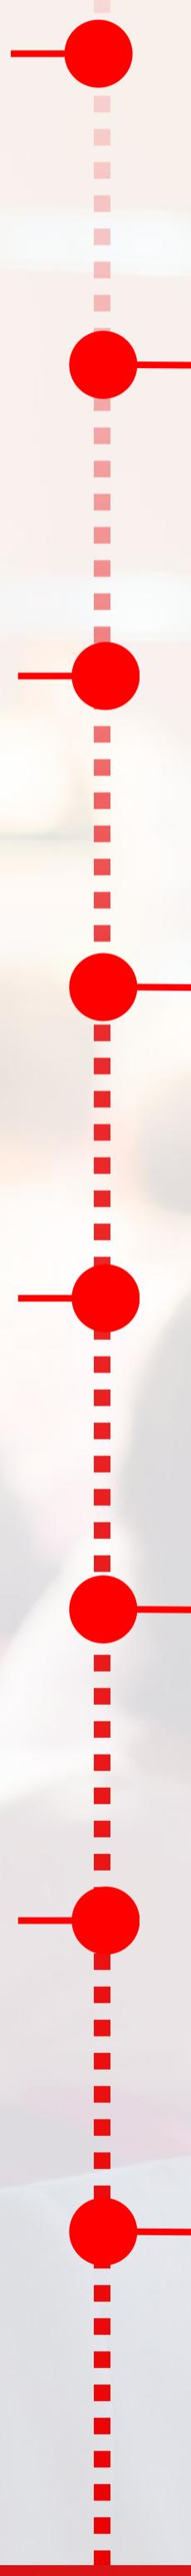

SCMR Mid-Year Meeting

12-13 June 2026 - New York, New York, USA

SCMR Stress CMR Course

9-10 October 2026 - Washington, DC, USA

SCMR Advanced CMR Course

(in Collaboration with IACI)

9-12 April 2026 - Mumbai, India

SCMR Foundations of CMR Level 1.5 Course Workshop

5-7 June 2026 - Philadelphia, Pennsylvania, USA

SCMR Stress Perfusion Course

24-25 September 2026 - Kaunas, Lithuania

SCMR Middle East Level 1 Course

November 2026 - Dubai (TBC)

Sponsorship opportunities available soon

SPONSORSHIP PACKAGES

The following opportunities will be available for each event at the listed rates and with the associated benefits. However, each event may also offer unique sponsorship options, so be sure to review the subsequent pages of this document for additional opportunities that may interest you!

Platinum Level

Price : \$20,000

Conference Badges : 2

Exhibit Space : 6 foot tabletop in prominent location

Additional Opportunities : 30-minute breakfast or lunch symposium

Website & Signage Recognition : Yes

Gold Level

Price : \$15,000

Conference Badges : 1

Exhibit Space : 6 foot tabletop in prominent location

Additional Opportunities : Coffee break sponsor

Website & Signage Recognition : Yes

Silver Level

Price : \$8,000

Conference Badges : 2

Exhibit Space : 6 foot tabletop

Website & Signage Recognition : Yes

Bronze Level

Price : \$4,000

Conference Badges : 1

Exhibit Space : 6 foot tabletop

Website & Signage Recognition : Yes

SCMR Foundation of CMR Level 1.5 Course

Adult / Congenital / Pediatric

 5–7 June 2026

 Philadelphia, Pennsylvania, USA

OPPORTUNITIES

This three-day foundational course provides an essential introduction to Cardiovascular Magnetic Resonance (CMR) for radiology, cardiology, and pediatric cardiology trainees and consultants, as well as radiographers with varying levels of prior CMR experience.

Participants will gain a comprehensive understanding of CMR indications and contraindications, learn to identify key clinical applications and image acquisition protocols in both adult and pediatric populations, and develop the ability to recognize characteristic patterns of cardiovascular diseases during image interpretation.

The program combines didactic sessions, interactive case reviews, and hands-on workstation training, offering attendees the knowledge and practical skills required to confidently integrate CMR into clinical practice.

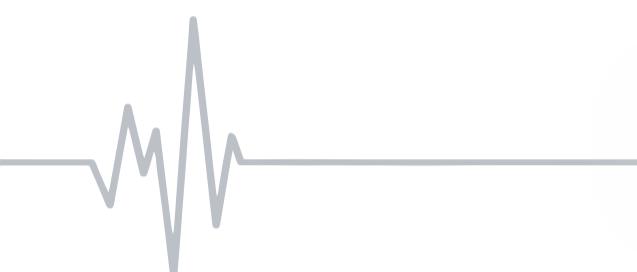

SCMR Course Director

Dr. Mark Fogel

SCMR Course Director

Dr. Victor Ferrari

ADDITIONAL OPPORTUNITIES

Hands-On Post Processing | \$8,000 USD

The hands-on sessions for this course include a minimum of 3 hours of hands-on time per day for 3 days, April 2nd, 3rd, and 4th (see preliminary program for details). Analysis tools required for these hands-on sessions include function, flow, T1, ECV, T2, T2*, LGE, 4D flow, strain or feature tracking, perfusion, quantitative perfusion and MPR viewer options. Sponsors are responsible for providing in-kind support of 15 laptop based workstations, extension chords and a technology specialist to assist our faculty with workstation trouble shooting and attendee support. Only 2 opportunities available which will be granted on a first-come first-served basis.

Mentoring Reception Sponsorship | \$7,000 USD

This 1-to-2- hour mentoring reception will be a structured social networking reception with the faculty, attendees, and the industry sponsor. The event will allow industry the opportunity to meet current and future CMR leaders as well as speak to attendees to understand their CMR practice.

Live Scanning | \$5,000 USD

Sponsors are responsible for providing a platform specialist for scanner troubleshooting and staff support.

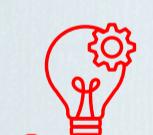

Faculty Dinner | \$5,000 USD

The Faculty Dinner will be a 1-to-2-hour sit-down meal and drinks at an exclusive venue. This is an opportunity for industry leadership to connect with key opinion leaders and members of the SCMR leadership. This is an exclusive, invitation-only event designed to foster high-level dialogue and collaboration.

 **Refer to the Sponsorship Levels section (page 5) for details**

JOIN US IN SHAPING THE FUTURE OF CMR!

Your Sponsorship at a Glance:

-  Support the global advancement of CMR through innovation, collaboration, and education
-  Be part of an international network of clinicians, scientists, and industry leaders driving CMR innovation
-  Gain targeted visibility among key decision-makers and healthcare professionals in cardiovascular imaging
-  Showcase your technologies and solutions at high-impact educational events
-  Contribute to world-class training programs that shape the next generation of CMR experts
-  Position your brand as a committed leader in imaging excellence and heart health innovation

THANK YOU FOR YOUR INTEREST IN SUPPORTING SCMR !

Your commitment helps advance cardiovascular magnetic resonance worldwide.
